Trails

The Park offers a variety of groomed and ungroomed trails for your enjoyment. Groomed trails are for cross country skiing, fat biking and snowshoeing. Ungroomed trails are for snowshoeing and hiking.

Groomed Trails: Offered in the Chignecto Recreation Area and in the Chignecto Campground. Please see the map on the back of this guide for details on these trails.

Ungroomed Trails: A portion of the Upper Salmon River Trail (825 metres one way from the trail portal at the Headquarters campground entrance to the trail portal at the back of the campground), Kinnie Brook (1.4 km one way), Caribou Plain (2.1 km loop), East Branch (5.6 km loop), Bennett Brook (6 km one way), Lavery road (6.5 km one way) and Point Wolfe road (7.5 km one way) are the ungroomed trails available to you this winter.

Heated washrooms are available next to the Visitor Centre and at the Chignecto Pavilion.

The toboggan run in the “bowl” in the Headquarters Area will provide hours of fun.

Trail Etiquette, we share the trail:

- Fat bikers are permitted on the snowshoe side of groomed trails only. These are shared trails and riders are strongly advised to wear helmets and must yield to people on snowshoes and skiers.
- If your tires sink deeper than 2.5 cm (1 inch) conditions are too soft. Come back when it's colder or the snow is older!
- When climbing, please yield the right of way to descending skiers and fat bikers.
- Do not walk on groomed trails. Please use snowshoes.
- If you fall, move off the track as quickly as possible.
- When taking a break, step to the side, leaving room for others to pass.
- Leave no trace.
- Pack out everything you pack in.

Dogs

- Dogs on leash are welcome on groomed trails J and K in the Chignecto Campground as well as on the Upper Salmon River, Kinnie Brook, Caribou Plain, East Branch, Bennett Brook, Lavery Road and Point Wolfe Road trails.
- Dogs are not permitted on groomed trails A through H in the Chignecto Recreation Area.
- Dogs are permitted in Yurt #4 and oTENTik #072 at Headquarters Campground. Dogs are not permitted in any other Parks Canada accommodation.
- Please pick up after your dog.

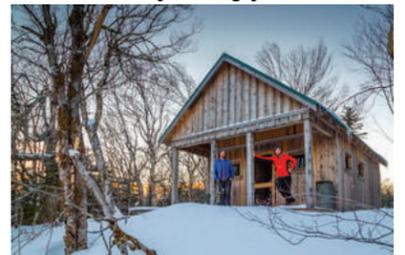

A pizzeria, pub, service station and general store are located in the Village of Alma. A skating rink is located on Foster Road.
